RE: Liquid Caustic Soda Price Increase

Dear Customer:

Occidental Chemical Corporation is announcing today an off-schedule price increase of \$75.00 per dry short ton on all grades of liquid caustic soda. This increase is effective immediately for spot customers and as terms permit for contract customers.

We appreciate the confidence you have placed in OxyChem as your supplier. Should you have any questions regarding this increase, please contact your OxyChem Account Manager.

Sincerely,

Jason A. Welch
